8. Your Data Protection Rights

You have a number of rights in relation to your Personal Data, which are set out in the table below. **In particular these rights include the right to object to processing of your Personal Data where that processing is carried out for the Fund's legitimate interests.** Note that in certain circumstances these rights might not be absolute.

Right	Further Information
Right of Access	You have the right to request a copy of the Personal Data held by the Fund about you and to access the information which the Fund holds about you. The Fund may charge you for making such an access request where it feels your request is unjustified or excessive.

Right to Object	You have a right to object at any time to the processing of your Personal Data where the Fund processes your Personal Data on the legal basis of pursuing the Fund's legitimate interests.
Right to Rectification	You have the right to have any inaccurate Personal Data which the Fund holds about you updated or corrected.
Right to Erasure	In certain circumstances, you may also have your personal information deleted, for example if you exercise your right to object (see above) and the Fund does not have an overriding reason to process your Personal Data or if the Fund no longer requires your Personal Data for the purposes as set out in this notice.
Right to Restriction of Processing	You have the right to ask the Fund to restrict processing your Personal Data in certain cases, including if you believe that the Personal Data the Fund holds about you is inaccurate or the Fund's use of your information is unlawful. If you validly exercise this right, the Fund will store your Personal Data and will not carry out any other processing until the issue is resolved.
Right to Data Portability	You may request the Fund to provide you with your Personal Data which you have given the Fund in a structured, commonly used and machine-readable format and you may request the Fund to transmit your Personal Data directly to another data controller where this is technically feasible. This right only arises where: (1) the Fund processes your Personal Data with your consent or where it is necessary to perform the Fund's contract with you; and (2) the processing is carried out by automated means.

Should you consider that the processing of your Personal Data by the Fund or its service providers infringes the provisions of the GDPR, you may lodge a complaint with a supervisory authority in the EU Member State of your habitual residence, place of work, or in the place of an alleged infringement.
