The performance quoted herein represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost, and current performance may be higher or lower than the performance quoted. For performance data current to the most recent month end and other inquiries, please contact: Northern Trust International Fund Administration Services (Ireland) Limited (“NT”) +353 1 434 5122.

The Fund's shares are offered solely to non-U.S. investors and are not available in any jurisdiction in which the sale would be prohibited. Accordingly, this document is not available for distribution in any jurisdiction where the Fund has not been approved for sale. Any subscription may only be made on the terms of the UCITS' prospectus and is subject to the completion of a subscription agreement. To determine if this Fund is an appropriate investment for you, carefully consider the Fund's investment objectives, risk factors, charges, and expenses before investing. This and other information may be found in the UCITS' prospectus. The prospectus and Key Investor Information Document (KIID) may be obtained by calling NT in Ireland at +353 1 434 5122 or by visiting sandscapital.com/strategies/emerging-growth/#fund-ucits. Please read the prospectus carefully before investing. Sands Capital Management, LLC serves as investment manager to the Sands Capital Emerging Markets Growth Fund, a sub-fund of the Irish domiciled UCITS, which is authorised by the Central Bank of Ireland.

Investing in the Fund involves risk, including possible loss of principal. There are specific risks inherent to investing in emerging markets, including less rigorous accounting practices than in more developed markets, higher than usual risks of political changes, government regulation, social instability, or diplomatic developments that could adversely affect the economies of the relevant countries and thus the value of investments in those countries. Furthermore, depending on an investor's currency of reference, currency fluctuations between an investor's currency of reference and the base currency of the Fund may adversely affect the value of an investment in the Fund. Index returns do not reflect management fees, transaction costs, or expenses.

*Effective November 1, 2017, the maximum Total Expense Ratio is 1.00%. A Redemption Fee of up to 2% of redemption proceeds may be charged if the Directors of the company believe an investor seeking redemption is attempting to arbitrage the Fund.

¹The MSCI Emerging Markets Index is a free float-adjusted market capitalization index that is designed to measure equity market performance of emerging markets. The index represented will differ in characteristics, holdings, and sector weightings from that of the fund. SCM may use access products as needed to gain exposure to securities of companies in markets that restrict foreign ownership of local companies. There can be no assurance that there will be any market for any investment acquired by the Fund or, if there is such a local market, that there will exist a secure method or delivery against payment which would, in the event of a sale by or on behalf of the Fund, avoid exposure to counter party risk. There is a risk that counterparties may not perform their obligations and that the settlement of transactions may not occur.
